Employment
Services:**

*Gain real skills and
establish a work
history.*

PROJECT CONNECT

AccessAbility's mission is to provide opportunities for self-sufficiency for people with barriers to employment and community inclusion.

Located in Northeast Minneapolis, Project Connect offers transitional employment services and . Project Connect serves a diverse community of people, many of whom face barriers to sustainable employment and community inclusion--especially justice involved and the chemically dependent.

By partnering with businesses and organizations throughout the Twin Cities, we are able to provide innovative programs and services to help individuals along their path to self-sufficiency.

All of Project Connect's programs are designed with the individual in mind-- we encourage and help individuals explore their own ideas, interests, preferences and needs through an individual plan
